## Welcome to the world of makeup artistry...

Since 1927 Mehron Makeup has led the way with innovation and quality, providing artists around the globe with professional cosmetics. Our award-winning body paint, pro beauty, and special FX products are used in television, stage, and film performances in Hollywood and on Broadway.

At Mehron, we are dedicated to addressing the pro-artist's needs by incorporating advanced research, superior ingredients, and a unique capability to develop exceptional world-class products. Mehron's in-house professional artists and experienced chemists work diligently to deliver high-impact, highly pigmented, long-wear cosmetics for professional and novice artists alike.

Mehron's primary goal for over 95 years has been to develop and produce the highest quality makeup to ensure that every artist can fully express their amazing creativity.
