

THE PORTABLE NUMBER LINE

6 4 2 0 2 4 6

Number Lines are the best tool for clean spacing and perfect formations in theater, dance, show choir, and more!

Each **Portable Number Line** is built to industry standard, with 0 at the center and even numbers every 2 feet.

The Portable Number Line is visible up to 100 ft and weighs under 1 lb. Your line will go down in seconds, stay flat, and roll up tight for storage!

Simple Set-up!

1. Unroll your **Portable Number Line**.
2. Align "0" with the center point of your space.
3. Secure your line with gaff tape.

Then assign numbers to your performers as you choreograph for consistent spacing and great performances!

The Portable Number Line is used by:

- Grammy Winner Usher
- The Macy's Thanksgiving Day Parade
- Hulu's *Only Murders In The Building*
- Broadway and National Tours
- Camp Broadway
- Theater and Dance programs and camps across the world!

The Portable Number Line is hand made in the USA and can be customized to the needs of your space and organization.
